DEFENCES

b) Defence and counter-attack against a punch or a kick that is not known in advance x 5:

For this exercise, several rules must be applied:

- do not move back;
- defence and counter-attack simultaneously if possible;
- even if you are hit, you counter attack
- after the defence and counter attack, no superfluous movements during the subsequent combinations.

UV 5 – GROUND WORK

a) Defender on the ground sitting or lying down against an attacker who is standing up: practice destabilising the standing attacker :

1. Spread the attacker's legs by hitting his ankles with several small strikes and kick to genitals.
2. Hook one heel and push on the kneecap with other leg or on the side of the knee.
3. Technique from orange belt : grab the nearest ankle, hook with the foot behind the knee of the furthest attacker's leg and push with other foot on pelvis.

b) Release from ground chokes the attacker is sitting to one side : grab a sensitive part of the attacker's head (eye, nose, beard, corner of the lips), hit to the genitals while pulling him.

c) Release from elbow lock (Juji-gatame) before lock is tight : strike towards the face, pivot of the thumb outwards and move the body to get out.

d) Release from neck control (Judo, latero-costal), the attacker is sitting to one side :

1. Practice the position.
2. The defender is on his back, the attacker is controlling :
 - a. Grab a sensitive part of the attacker's head (eye, nose, beard, corner of the lips) and roll him or evade and push backwards depending on his reaction. Stabilize, counter attack and get up.
 - b. If the attacker holds his head high : wrap his head with the furthest leg and bring this leg firmly to the ground. Strike and get up.
 - c. If the attacker pins his head forwards to the ground : strike on nape with the palm of the opposite hand and grab a sensitive part to roll him.

2 x 2 minutes fight with 30 seconds rest.

Hard fight for the practionners aged 18 -40 years old, light for the others. Groin guard, shin guards, gum shield and boxing gloves (minimum weight 12 ozs.) must be worn. The participants are graded by their general attitude and not by winning or losing. They must not avoid contact and must demonstrate courage, determination, clear-headedness, composure, a minimum of technique and they must respect their opponents;

Before the fight the examiner must remind the participants of their moral obligations and the safety rules they must respect :

- if a fighter receives a serious blow, the next step must be light or the fight must be stopped completely depending on the severity of the blow;
- if a fighter has the opportunity to give a head-butt, this must be simulated;
- if a fighter has the opportunity to strike certain body parts which are unprotected, for instance the spine, this blow must be simulated
- if a fighter is struck in the groin, he must break away in order to mark the advantage gained by his opponent, he must take one or two steps to the side;
- all throws must be executed with safety ; if a fighter has been floored, and manages to remove his gloves, any subsequent strikes must be simulated.
